

## MISSION REPORT

Belgrade, 17.11.2011

This meeting was organized for management coordinating purposes having in mind that the activities within the fifth work package of the SIGMUS project **(WP5) Establishment and development of student services at Serbian Universities** are in progress.

On this meeting were present: Ivica Miladinović (UBG) and Boris Petrović (SUS). At the meeting we discussed how we could present knowledge about alumni organizations, and how we could transform those knowledges into a functional application that would benefit to all present and future alumni organisations in Serbia.

Particular in meeting we agreed commitments in the future, as well as work and compliance reviews of the Alumni application that we envision as the primary mean of communication between alumni organizations in Serbia.

The meeting lasted more than 4 hours and it was very productive.
