

Strengthening Student Role in Governance

SIGMUS

and Management at the Universities of Serbia

SELF EVALUATION OF STUDENT'S WORKLOAD TOWARDS IMPROVING TEACHING PROCESS

Dr Lazar Dražeta, Singidunum University

Project requirement

Work Package (WP) 4

- Designing of methodologies and indicators for monitoring and evaluation process of implementation of Bologna process ...
- Development of internet based platform for communication, analysis results sharing, coordination and synergy of student representatives and all national partner institutions.

eAgenda

- On-line availability
- User and environmental friendly
- Confidentiality (protected students' identity)
- Data analysis and web site administering
- Sustainable and reliable method, easy to disseminate

Tailoring solution

Brainstorming

Nominal group technique, to avoid negative effects of group work:

a) *Process loss*; b) *Social anxiety*; c) *Listening others*

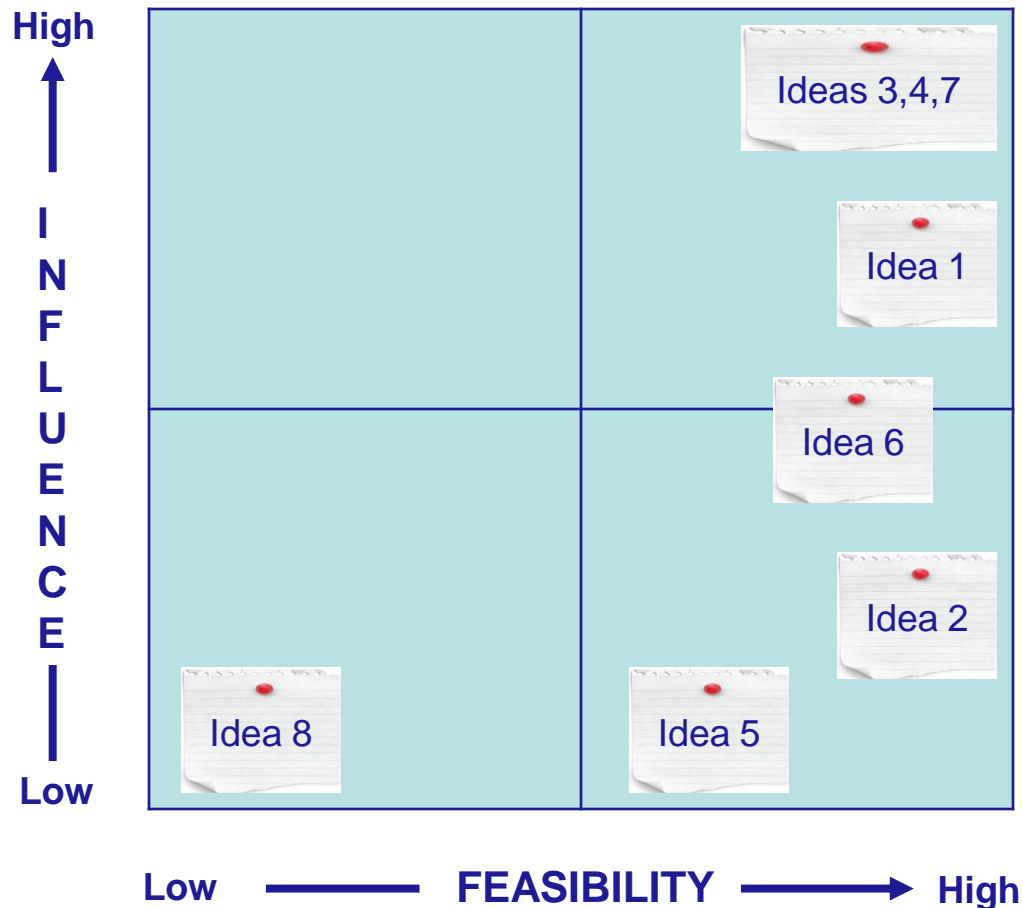

Ground rules

- Criticism is not allowed (during Step 1, for free flow of ideas)
- All ideas are encouraged (no matter how they may seem)
- Ideas should be built on (during Step 2, for group ownership)
- Workshop follows the given agenda for the allotted time

Process:

- Step 1: Generation of ideas (individual contributions)
- Step 2: Development and selection of ideas (group discussion)
