Undergraduate Degree Courses	62
3–year Degree Courses	44
Specialist Degree Courses	18
Schools of Specialisation	30

The University in Tables

I and II level University Master Courses	13
PhD Courses	17
Trainship agreements	1,000

Students' role in the University of Udine

Students elect their representatives at Faculty level and in the centrale level (Academic Senate and Administrative council).

Students associations organise seminars and other activities for students in collaboration with the Faculties : e.g. last year a visit to the European Union Court of Justice was organized by the chair of EU Law and a students' association.

The University in Tables

Agreements with European and worldwide institutions (Erasmus, Tempus, ...)	205
Student mobility	2%

contact person for the University of Udine Unit in the Tempus project

- Elisabetta Bergamini

Adjunct Professor of European Union Law

Lecturer of International law

Field of relevant research experience: mutual recognition of diplomas, free movement of persons in the EU.
